

Hard Drive Certificate of Data Destruction

This certifies that Hytec Dealer Services, Inc. at its secure, insured & bonded facility performed the following Data Destruction Services on the following Hard Disk Drives as per your completed **Hard Drive Data Destruction Release Authorization**.

The total shipment was received and documented by authorized Hytec personnel, and upon receipt, stored in a locked area prior to Data Destruction Services. As described on Hytec's **Hard Drive Data Destruction Release Authorization**, your drives were either sanitized and returned or data completely destroyed, as detailed and documented below:

Data Destruction

Drives are completely erased to DoD 5220.22-M directive & become the property of Hytec Dealer Services, Inc. Unusable drives were completely destroyed & recycled in accordance with governmental regulations.

Drive Sanitization & Return

Hard drives were erased to DoD 5220.22-M directive, and returned to the address listed in the return section of the *Data Destruction Release Authorization*.
